## **Student-Athlete Social Media Agreement**

Social media can be a useful tool to communicate with teammates, fans, friends, coaches and more. Social media can also be dangerous if you are not careful. Every picture, link, quote, tweet, status, or post that you or your friends put online is forever part of your digital footprint. You never know when that will come back to hurt or help your reputation during the recruiting process, a new job, or other important areas of your life.

Recognizing the above, please initial each line below:

\_\_\_\_\_ I take responsibility for my online profile, including my posts and any photos, videos or other recordings posted by others in which I appear.

\_\_\_\_\_ I will not degrade my opponents or other competitors before, during, or after competitions.

\_\_\_\_\_ I will post only positive things about my band mates, teammates, coaches, opponents and officials or judges.

\_\_\_\_\_ I will use social media to purposefully promote abilities, team, community, and social values.

\_\_\_\_\_ I will consider "Is this the me I want you to see?" before I post anything online.

\_\_\_\_\_ I will ignore any negative comments about me and will not retaliate.

\_\_\_\_\_ If I see a teammate/ band mate post something potentially negative online, I will have a conversation with that teammate/ band mate. If I do not feel comfortable doing so, I will talk to the student leadership, or a band director, or coach.

\_\_\_\_\_ I am aware that I represent my sport(s), school, team, family and community at all times, and will do so in a positive manner.
